

PRESENTS THE

**4th ANNUAL
HIGH SCHOOL FALL BASEBALL LEAGUE**

September 8th – Oct.31st
(13) Teams
Single Elimination Playoffs
College Showcase Day

2010 Season, Welcome

Dear Coaches, Players and Parents,

Welcome to the 2010 Pride of the Diamond High School Fall League season.

As we begin our fourth season, we welcome (13) teams this year from the Lehigh Valley and surrounding areas. Each year the league has continued to grow and improve. This year the teams will play a 12 game regular season, playing each team in their division twice, followed by a single elimination playoff format.

The Pride of the Diamond fall league was established with the purpose to further the development of area high school players by providing a competitive atmosphere during the fall season. Each team consists of varsity level talent creating a competitive balance of competition for all of those involved.

Pride of the Diamond also offers a College Showcase Day in which area colleges are invited to evaluate select players from the fall league. The 2010 Showcase will take place at Quakertown Memorial Stadium on Wednesday, September 29th

Pride of the Diamond is very proud of the success of the fall league and we thank all of those involved for their efforts. We wish everyone success and happiness throughout their season and look forward to many future seasons and continued growth.

Marty Kenney
Director, Pride of the Diamond

Games will be played at the following sites:

Limeport Stadium
DeSales University
Perkiomen School
Notre Dame Green Pond High School

Sammy Balliet Stadium
East Stroudsburg South HS
Silver Creek
Quakertown Memorial Stadium

The 2010 Pride of the Diamond Fall League will be played under PIAA Rules with the following amendments:

- 1) Free substitution will be allowed during the REGULAR SEASON. PLAYOFFS will be played using PIAA substitution Rules.
- 2) The use of an Extra Hitter will be allowed during all Regular Season Games.
- 3) Pitchers and Catchers are Allowed Courtesy Runners however it has to be a player not currently entered into the game
- 3) A Five Inning Ten-Run Rule will be left up to the discretion of the coaches.
- 4) If a double-header is played teams must alternate Home and Away for the two games
- 5) Any games that are suspended because of rain or darkness are to be picked up from the point they left off. However after 5 innings a game is official and any game suspended after that will be considered official. All games called after 5 innings in the middle of an inning will revert back to the end of the previous innings score and a winner will be declared based upon the score at that point.
- 6) If a game goes into extra innings rather than put a time limit on a game we will place a cap of 9 innings on a game, in order to alleviate pitching worries and to ensure we can complete a DH. If after 9 innings the game is still tied, the game will be considered complete and recorded in the standings as a tie
