# DESALES UNIVERSITY'S HOLIDAY BASEBALL CAMPS

Dear Parents:

DeSales University is proud to present a quality instructional holiday camp for children 8 to 18. An outstanding camp staff of high school and college coaches will be instructing your child on the proper fundamentals of baseball. The camp devotes individual time and attention to all players, as well as providing expert instruction in the game itself.

All campers will be grouped according to age, physical maturity, previous experience, and overall ability. The DeSales University Holiday Camp will make every effort to attend to the player's desire to improve his individual skills.

Please take the time to read our brochure carefully, and if you have any additional questions, please feel free to call. In order to insure your reservation, we urge you to send in the application as soon as possible. We hope you will join us this holiday season.

### Camp Director's Note:

NCAA regulations state that no high school graduate who has not yet registered in an NCAA member institution may enroll and participate in any summer sports camp which is operated by any NCAA member institution or involves any NCAA member institution's athletic department personnel.
