The Neiman Sports Group is a sports marketing company, headquartered in the Lehigh Valley and founded by DeSales University baseball coach, Tim Neiman. Coach Neiman has coached at DeSales for 18 years and has put together a tremendous NCAA Division III program compiling a 449-236-3 record during that span. Ten of Neiman's players have gone on to play at the professional level.

In 2007, Tim launched Pride of the Diamond to further spread his expertise and experiences in the game of baseball. The company is dedicated to sharing useful information for practical application in the development of youth sports.

In 2007 Pride of the Diamond launched a high school fall league consisting of 8 teams. In 2008 the fall league has grown to 16 teams.

This fall, Pride of the Diamond has established a Little League Fall League modeled after the high school fall league. Teams will compete in a regular season schedule, followed by a playoff format. Organizations are offered the opportunity to join the league and allow us to administer all of the duties that are involved. Team fees include: Scheduling, Insurance, Baseballs, T-Shirts, Hats, Umpires, Fields and Awards. Teams will be guaranteed a minimum of 12 games including playoffs.

Two divisions will be organized to accommodate teams of different age groups. A 12U division will play on a baseball diamond with measurements of 50ft and 70ft. A 10U division will play on a regulation size little league baseball diamond of 46ft and 60ft.

Games will be played at Patriots Park, located in Allentown, Pa. and at the Southern Lehigh Little League facility in Coopersburg, Pa.

If your organization is interested in more information please contact us.

Thank You,

Marty Kenney

Director, Pride of the Diamond
